

One Call. Zero Headaches. Healthcare Made Simple.

Ditch the complexities. Embrace simple, integrated coverage that actually works for you.

Fed up with the runarounds, surprise costs, and unnecessary complexity of most employee health plans? We were too. That's why we reimagined the entire experience from the ground up, wrapping quality, affordable coverage with integrated care management in one refreshingly straightforward plan for you and your team.

**Pay for what you
use, nothing more.**

It's Time to Bring Common Sense Back to Employee Healthcare

This plan checks all the boxes: affordable, accessible care for employees, plus easy, cost-effective administration for HR teams. We manage your plan with a common sense approach; easy access to routine care, support when you need it. Pay for what you use, nothing more.

SIMPLE TO UNDERSTAND

Let's Get Back To Basics, Without Being Basic.

Our innovative, self-funded solution strips out the complexities and leaves you with one seamless program:

- No out-of-pocket costs for primary care and other common services
- Comprehensive benefits clearly spelled out - no guessing what's covered
- Transparent, upfront pricing with zero deductibles to worry about
- Integrated components like care advocacy bundled right in
- One call line for absolutely everything - no juggling multiple vendors
- No surprise costs or billing headaches, just hassle-free administration

SIMPLE TO SAVE

Put Money Back in Your Employees' Wallet

SISCO Simplicity offers savings for you and your employees. With better care navigation, and a shared-savings model to reward members for making the right choices, the savings stack up:

- Imaging/CT/MRI scans average \$3,317 in plan savings with an average employee bonus of \$663.
- Colonoscopy screenings average \$1,311 in plan savings, resulting in an average of \$262 in employee bonus.
- Major surgeries like knee replacements average \$22,908 in plan savings with employee bonuses averaging \$2,000.

Simple to Get Support

One call does it all. Licensed experts provide a truly seamless, concierge-level service.
