SIMPLE TO UNDERSTAND

Bring Common Sense Back To Employee Healthcare

We're turning health insurance into health care that's simple to understand, simple to save, and simple to implement. Whether fully insured or self-funded, it's an easy transition to Simplicity.

It's so easy, your employees will rave about:

- **No more deductibles or co-insurance.** Just co-pays - everything has a clear price for employees, just like everything else you buy.
- **No cost everyday services** like primary care, generic drugs, mental health services, physical therapy, and other services you want members to utilize.
- **Financial incentives reward members** when they shop for higher quality / lower cost healthcare, sharing 20% of every dollar saved with members who make smart choices.
- **One phone number and app** for ALL employee benefit needs, with exceptional service employees rave about. No more juggling vendors and phone trees.
- **Broad access** to hospitals, physicians, and pharmacies throughout the U.S.
